We welcome athletes of all skill levels, from those with no experience to very high-level cheerleaders. You will have an opportunity to demonstrate your skills to the our staff and then be placed accordingly on the team that best suits your proficient skill level and ability. Athletes are placed on teams by the following (in order):

1. USASF AGE

We want to ensure our athletes are placed on an age appropriate team. This also includes the athlete's maturity.

USASF age buckets will be on the next page.

2. SKILL SET

Each level has required skill that need to be proficiently executed in a routine by a large percentage of the team.
